

Compound Development Day

Are you a compound archer who would like to know more?
Or a coach interested in learning more?
Then our compound development day, led by
Martin Holtby, is made just for you

The day's agenda includes a little bit of history, a lot of practical information on mechanics of the bow, arrow flight, bow set up, and practical experience of tuning and shoot

First Point Archery
Keighley Table Tennis and Recreation Centre
Keighley Business Centre
Knowle Mill
South Street
Keighley
BD21 1SY
